“I’ve sat through several 14 hour seminars and its always been a long, tiring day. Thanks to your comedy and one day seminar, I’m hooked on your class. You’ve taken an unpleasant experience and made it totally enjoyable. Your untiring comedy kept me laughing and energized that I could have stayed even later.”

“I enjoy your seminars – the humor you bring to the subjects is appreciated. Your seminars are the only one I will attend!”

“What a great way to learn and laugh at the same time! You have changed my opinion about attending these classes!”

“I enjoyed your class once again and appreciate the professional and humorous manner in which you present the materials required!”

“Thanks for a great class in Fort Lauderdale. Holding our attention for 14 hours is not easy, you accomplished the task.”

## CONTRACTORS EDUCATIONAL SERVICES PRESENTS

Carmen Ciricillo has taught continuing education to thousands of construction professionals since 1997. He also has more than 28 years of experience as a stand-up comic and speaker to the construction industry. That is why you’ll never be bored at any of his seminars or even listening to him on his online school. His method of teaching, combining humor with relevant course material, has made him one of the most popular CE teachers in the industry.
