Entertaining & Informative Continuing Education

Contractors Educational Services, also known as "Construction Comedy School", was built from the idea that education should be entertaining. At CES, we truly believe that students who are entertained will be more interested, engaged, and receptive to the educational content being taught. With our courses, not only will you learn the required information for your license, you'll have a good time doing it!

- Educational & Humorous
- State Approved Professional Instructors
- Unique Presentation of Material
- Live Seminar Locations Throughout Florida
- Convenient & Easy Online Courses
- Promotes Florida Licensed Contractors

Certified & Vetted to be 100% Funny & Informative!

**Lead Instructor
Carmen Ciricillo**

Carmen has been teaching continuing education in the most humorous way possible since 1997! Carmen started doing stand up comedy while working at his family's construction business. His material about the construction industry and observational views about blue collar life, led to thousands of appearances for major construction industry associations including the NAHB, AGC, ABC and many more. Carmen also appeared on the Discovery Channel as the "Tool Guy" on the show "Your New House." He also toured with NASCAR and continually works for the construction industry as a speaker, instructor and stand up comedian. His ability to make the required topics interesting, humorous and relevant have led to a loyal following of contractors that continually sign up for his seminars.

CARMEN CIRICILLO
The Construction Comedian

Duke Mills

Voted the #1 Workers' Compensation Broker in the Country by WorkComp Central, he serves as a complete resource for contractors seeking smarter strategies in commercial insurance and premium recovery. Duke delivers actionable insights into classification codes, experience mods and audit overcharges-contributing to over \$25 million returned to contractors. www.workcompsolutionsfl.com

Paul Ciambriello

Paul Ciambriello is a Senior Contract Underwriting Manager with Merchants Bonding Company. Paul teaches the Construction Economics Portion of the Course, bringing his 33 years of experience & knowledge of the Florida economy including long term Economic Trends in Construction. Paul also offers our students useful information on the current economic and building trends throughout the State of Florida as well as on a countrywide basis. www.merchantsbonding.com

Charlie Brown

Charlie Brown, owner of Charlie Brown & Associates is a full-service Insurance agency a One Stop Shop! Specializing in being "a forensic insurance agency" for their clients. Their focus is to point out the gaps in Subcontractor's coverages, so those claims don't end up hitting your policies! www.brownandassociates.org

David Worthy

John Campo

Niesen-Price-Worthy-Campo teaching the Laws and Rules section in our classes for the last 14 years. They are construction board certified attorneys that focus on Florida construction law. www.npw-law.com

"I've sat through several 14-hour seminars and it's always been a long, tiring day. Thanks to your comedy and one day seminar, I'm hooked on your class. You've taken an unpleasant experience and made it totally enjoyable. Your untiring comedy kept me laughing and energized that I could have stayed even later."

"I enjoy your seminars - the humor you bring to the subjects is appreciated. Your seminars are the only ones I will attend!"

"What a great way to learn and laugh at the same time! You have changed my opinion about attending these classes!"

"I enjoyed your class once again and appreciate the professional and the humorous manner in which you present the materials required!"

"Thanks for a great class in Fort Lauderdale. Holding our attention for 14 hours is not that easy, you accomplished the task."
